**About the Exploration Summer Programs**

Exploration is a residential and day enrichment program for students who wish to explore academic disciplines as well as enhance their intellectual and social experiences. The Program is for students who are interested in learning. There are three divisions: the Senior Program at Yale University for students entering grades 10-12; the Intermediate Program at Wellesley College for students entering grades 8+9; and the Junior Program at St. Mark's School for students entering grades 4-7. We serve and welcome students with a broad range of abilities. All, however, should be enthusiastic about participating in a program of this kind.

Each year, Exploration welcomes students from more than 40 states and 40 countries. Students come from a wide variety of backgrounds, and Exploration offers a financial aid program to ensure that all socio-economic groups are represented. Students are often introduced to Exploration by their teachers. For further information, please visit our website at <www.explo.org> or contact us at 781.762.7400.
